Archer guy

Cost: 2000฿

Attack: 2

Defence: 1

Movement: 1

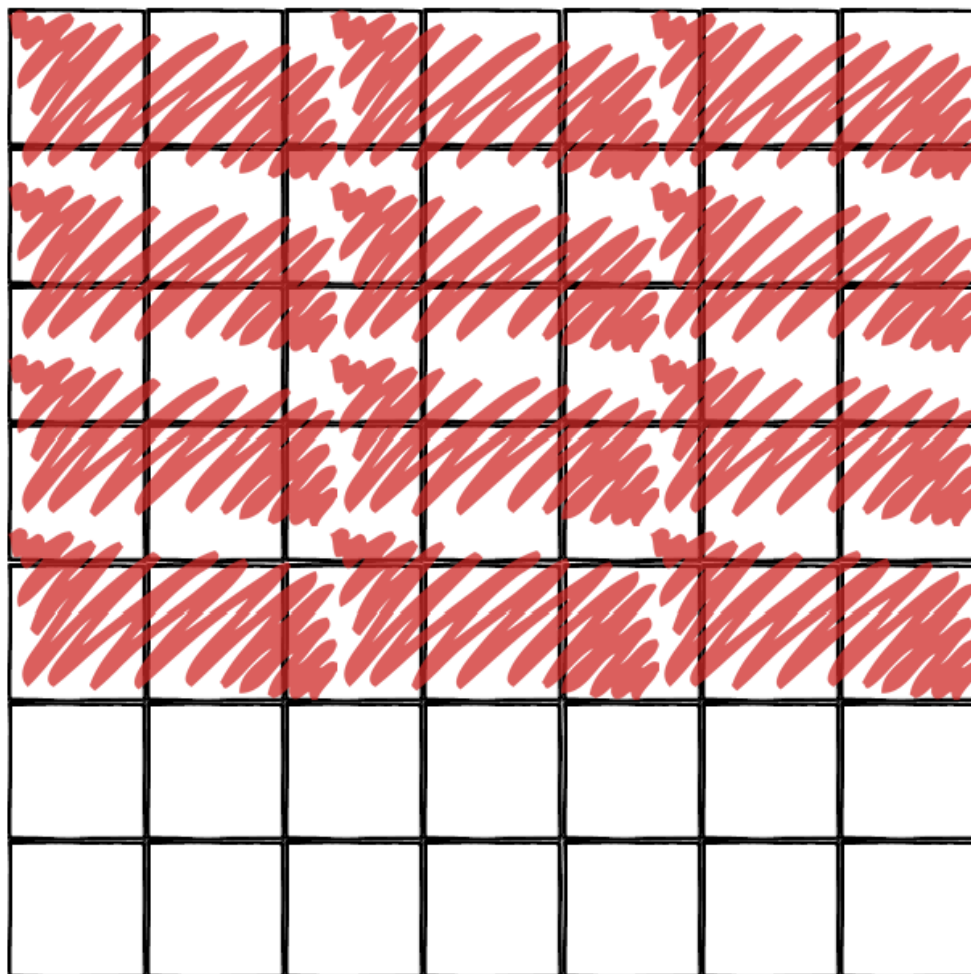

HP: 1

Special ability: Multi-shot

Archer guy is a unit that can be placed on the map. It has a cost of 2000฿ and can be placed on any empty cell. It has a special ability called Multi-shot, which allows it to attack multiple targets in a single turn. It has a movement of 1, meaning it can move one cell in any direction. It has a defence of 1 and an HP of 1. It is a good unit for attacking multiple targets and for defending a single target.
